I understand that rescue dogs, puppies, cats and kittens in fact can be unpredictable. Extreme caution and reasonable precautions should be exercised at all times when you are in contact with an animal. You understand we have limited knowledge of our rescue dogs and can only tell you what we have observed while in our care or what information, if any, the shelter or owner surrender may have given us. At any time an animal could be provoked, scared, or confused which may cause an animal to react in a negative way and cause a reaction by that animal when defending itself or its possessions if feeling threatened. Extreme caution and reasonable care be exercises.

By your signature on this document, which is an attachment to the volunteer form, you understand the risks and any possibilities thereof regarding rescue dogs and cats and release any liability against Angels on Wheels

Animal Rescue NFP and its representatives that you may incur and understand any danger that could exist with rescue animals or in fact with any dog.

All animals, loaned equipment (included, but not limited to) crates, blankets, dishes etc. are temporarily in your care and the property of Angels On Wheels Animal Rescue. You agree not to adopt or give away any of the animals without the permission of an Angels On Wheels Animal Rescue Trustee, and you agree to return the animal, crates, blankets after transport is completed.

We truly appreciate you volunteering your time to help get these animals to safe places. Should you have any questions or problems during transport, unless otherwise instructed, always contact Susan Pratl 630-863-3474, Director, Angels on Wheels Animal Rescue.

A typed signature is considered a legal signature for purposes of this waiver. Please download this document, save it complete it, type your name, then email it back to [sspratl@gmail.com](mailto:sspratl@gmail.com). Thank you.
